Leslie French

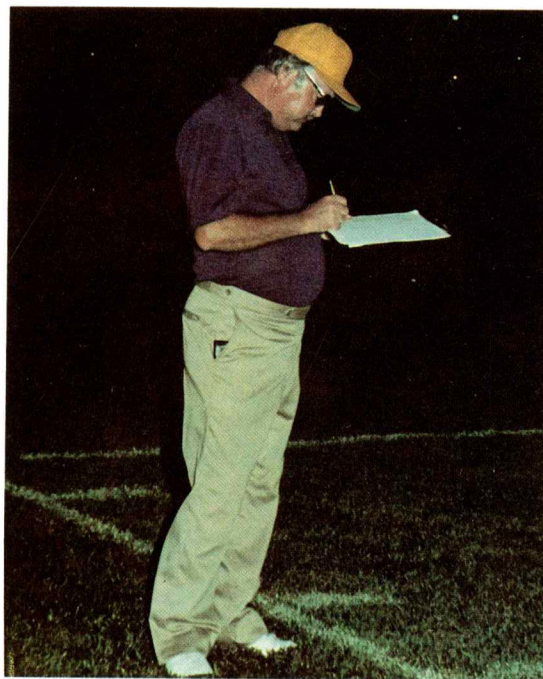

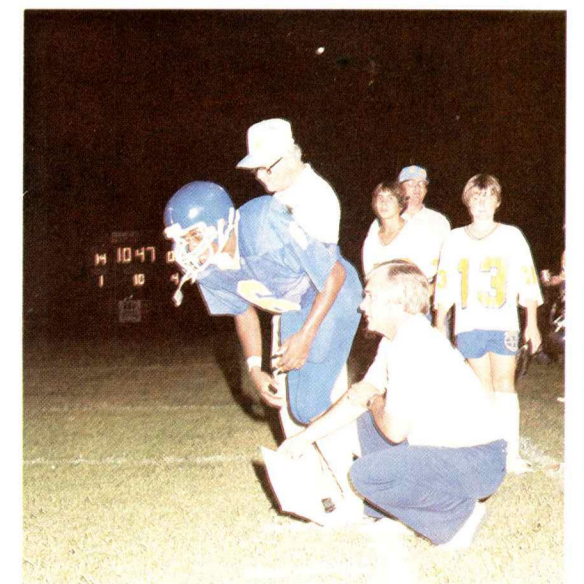

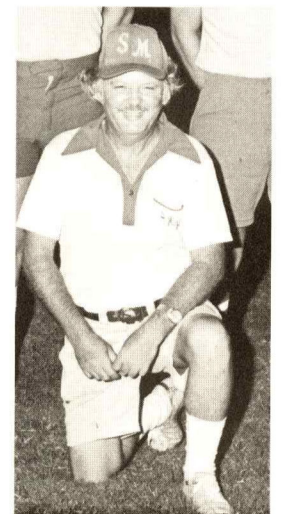

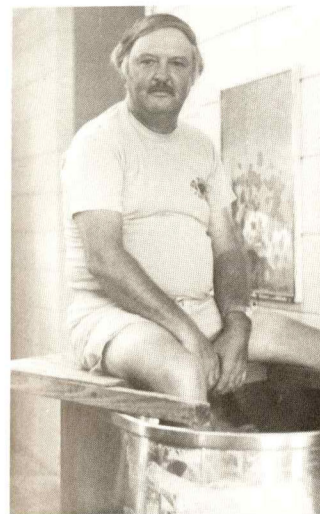

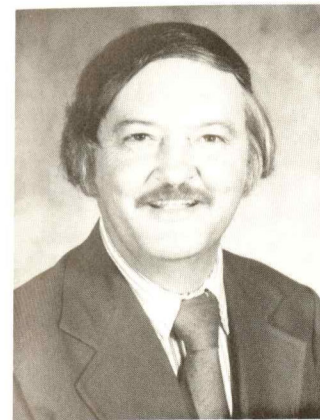

Dedication

Service for nearly three decades to the students of Mississippi's schools is a career chosen only by a few. Of those few who do dedicate their lives to the education of the youth, none will be longer remembered than St. Martin's "Sugar Bear."

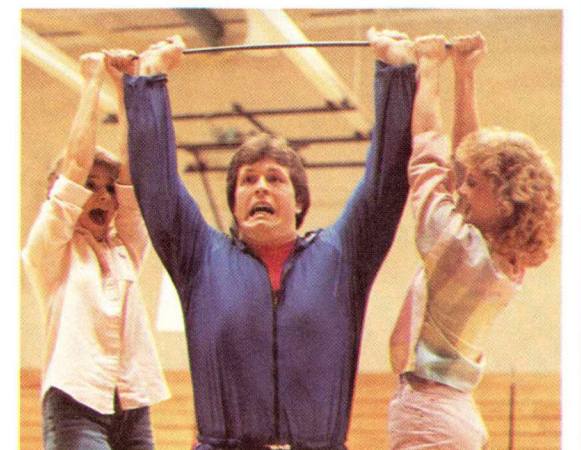

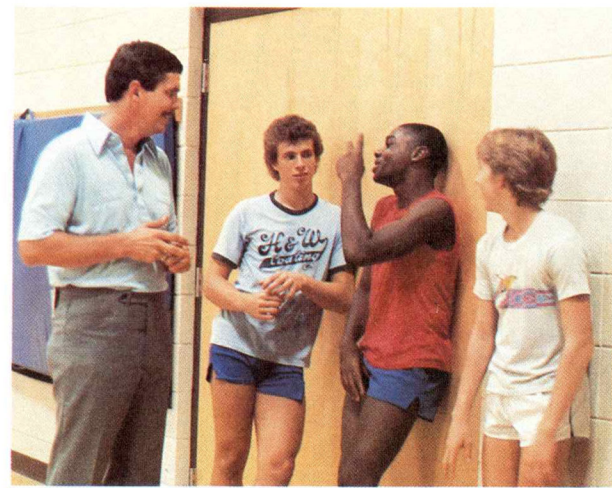

With his "orange pants tradition" on Thursdays, Coach French has taught in the elementary, junior high, and high school at St. Martin. He has also served as principal of St. Martin East and has coached baseball and junior high football and basketball. In addition, he is statistician for St. Martin sports.

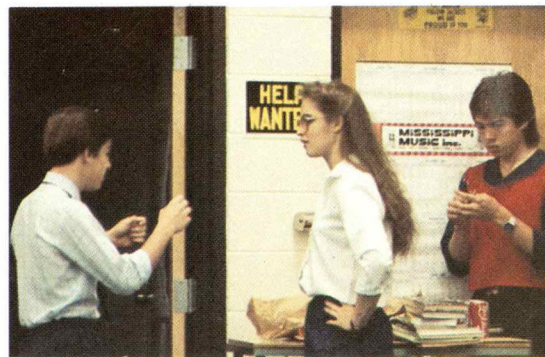

After he retires, Coach French plans to sit on his front porch, watch the cars go by, and cherish the memories of the friendships he has made with staff members and students over the years.

The Yellowjacket Staff is proud to dedicate the 1985 Yellowjacket to Coach Leslie French.

Bobby Cox has been named the 1985 STAR student at St. Martin. The selection for the student for the Student-Teacher Achievement Program, sponsored by the Mississippi Economic Council, is based upon the student's score on ACT. The STAR student then names the teacher who has been the most influential in his academic life.

Bobby, the son of Mr. and Mrs. Bobby Cox, is Business Manager of the *Yellow-jacket* and a member of the Hall of Fame, Scholars' Bowl Team, Student Council, Beta Club, Mu Alpha Theta, and FBLA. Bobby's choice for STAR teacher is Mrs. Gayle Mize, his teacher in General Science and Chemistry I and II.

Senior Farewell

Our final year has come and gone. These past twelve years have been perhaps the most enriching we shall ever experience. From this vantage point we look at the past and foresee the future with mixed emotions. We feel sorrow at the thought of leaving our lifelong friends, joy for our new-found independence, fear of the unknown, and excitement over facing new challenges. For some of us our biggest challenge will be finding a job in these troubled times. For others the challenge will be getting accepted into a college or university. Either our dreams and aspirations will be obtained, or we will live a life of "could have been." Our choice depends on the guidance we have received, our personal strength of character, and the teachings we have absorbed. We live in the present, think of the past, and hope for the future. All of our experiences will linger in our minds as fond memories. For all of these things, we give thanks to the many people who have given their time unselfishly: parents, teachers, counselors, and friends.

Angela Brown, Lisa Wooten, and Kenneth Lawrence

Students often have difficulty in thinking of their teachers as being nothing other than a teacher, but the person holding the grade book or writing on the chalkboard has a life outside of school.

Teachers do not wait anxiously for Monday mornings. If anything, they look forward to Friday with more zeal than the students.

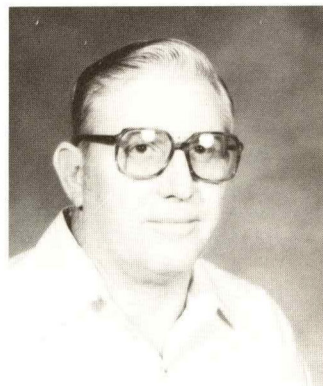

They do not enjoy grading papers, working on AIM, dealing out "F's," or giving students a hard time. Above all, teachers want their students to succeed.

Organizations

Each year the Yellowjacket Staff spends long hours of work and dedication to compile a yearbook which will provide enjoyable memories of SMH in future years. "Better Than Ever" not only serves as the theme for the 1985 Yellowjacket, but it also describes the characteristics of each person at SMH who strives to make this school and its members "Better Than Ever."

Although *The Sting* has been SMH's newspaper for only 3 years, it has experienced much success. When rated among other school newspapers in Jackson County at the end of the 83-84 school year, *The Sting* received an award for General Excellence. Former editor Mike Brady received recognition for the Best News Story, and present Managing Editor Lester Mitchell received honors for Best Feature Story, Best Lay-out and Design, and High School Journalist of the year.

Congratulations to Mrs. Perkins and her staff!

Student Council

Under the new leadership of Mrs. Dowdle and Miss Richardson, the Student Council has continued its long tradition of providing worthwhile services to the school and of conducting fund-raising projects for the school. This year's Student Council coordinated and supervised the class elections and the Red Cross blood drive. Members raised money by selling feathers for Turkey Teacher, Christmas candy canes, Valentines, and Bunny Grams.

Concert Choir, under the direction of Mr. Thomas Walley, includes the following members: Stephen Bell, Larry Webb, George Shaul, Gary Rice, Frankie Freeman, Donna Rogers, Laura Olsen, Dawn Moore, Juanita Frazier, Shelly Edwards, Tana Shaul, Terri Haring, Melanie McIntire, Peggy Sanford, Delores Suarez, Shelly Pearson, Ann Bunte, Gail Massey, and Angie Crafton.

As has been the record of the past few years, the St. Martin Yellowjacket Band, under the direction of Mr. Thomas Walley, has continued its tradition of outstanding pride and successful performances.

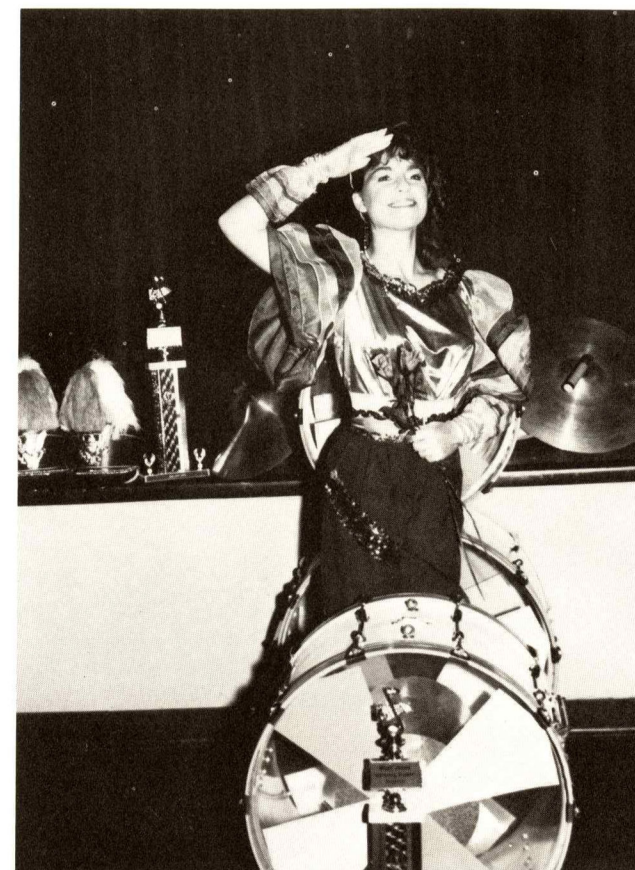

In October at the West Jones Marching Festival, the band received four trophies for "Superior" performance in the hardest classification for bands. One judge even rated the band a "Superior Plus."

At the Old South Open Contest in November in Milton, Florida, the band was the only band in its class of competition to make all "Superiors." The band was rated all superior from all three judges and received a perfect A+ rating in general effect.

Because of their hard work and fine performances, the following students were chosen to attend the Gulf Coast Band Clinic: Tana Shaul, Lisa Bowers, Anissa Seymour, Bill Gemeiner, Tom Kincaid, Larry Higginbotham, Shelly Pearson, John Swiatowy, and Wally Starks.

Congratulations to Mr. Walley and the Yellowjacket Band!

Consisting of students who have cumulative average of 90 or above, Beta Club has been involved in many worthwhile projects. Besides selling posters to raise money for Beta Club convention, members have collected for a family at Thanksgiving, personally delivered Christmas cards to the elderly at a retirement home, and participated in Operation Eye Care. In a combined effort with the Student Council, Beta Club conducted the "Toys for Tots" campaign before Christmas.

Under the direction of Mr. Coleman and Mrs. Turner, the Scholars' Bowl Team began its second year of scholastic competition with area schools. Serving as the host team for the first match, St. Martin competed against Pascagoula, Long Beach, Coast Episcopal, Biloxi, Bay St. Louis, Ocean Springs, D'Iberville, Harrison Central, Mercy Cross, and Vancleave. Instead of all the schools traveling to a different school for each match, all matches this year were held at the central location of Sablich Center at Keesler Air Force Base.
